LEORA SAHARIA

WEB DEVELOPER

Profile

I'm Leora Saharia, a 1st-year undergraduate at National Institute of Technology Raipur, pursuing B.Tech in Biomedical Engineering.. Hailing from the vibrant city of Guwahati in Assam, my educational journey began at Delhi Public School, Bhilai. Despite 1 year of coding, I excel in project management and leadership.

I'm mastering full-stack web development as a freelance front-end developer. Passionate about emerging tech like AI, ML, AR, and VR. Developed HealthBot prototype for disease prediction, enhancing my drive for innovation.

PROJECTS

Mar 2024 - Mar 2024
Calendar Planner

https://planner-app-khaki.vercel.app/
Designed and developed a versatile calendar planner application where users can efficiently organize daily or monthly tasks, mark important events, and engage in journaling. Implemented voice memo functionality to enhance user experience.

Feb 2024 - Feb 2024
My Portfolio

https://leorasaharia.vercel.app/

April 2024-April 2024
Lyrics Finder

Developed a React project allowing users to search for song lyrics by inputting the song's name and artist. Facilitated convenient access to desired lyrics, enhancing the music listening experience.

May 2024-May 2024
Color-Palette-Generator

Innovated a React project allowing users to search for song lyrics by inputting the song's name and artist. Facilitated convenient access to desired lyrics, enhancing the music listening experience.

May 2024-May 2024
ChatApp

Spearheaded the development of a real-time chat application using React.js for the frontend and Node.js for the backend. Utilized RESTful APIs for seamless user authentication, enabling users to log in with their username and engage in instant messaging.

HOBBIES

I have interest in singing and composing songs. I own a YouTube channel https://youtube.com/@LeoraSaharia?si=nnOqwC8Hc1HO-PNQ where I upload song covers.]
